- Corporate Administration & Infrastructure
- OPEX & Cost Optimization
- C-TPAT & Transport Compliance
- Process Standardization & Integration
- Multi-Site Facilities & Store Maintenance
- Plant Security & Risk Control
- Workforce Leadership & HR Admin (210)
- Cross-Functional & Emergency Logistics

PROFESSIONAL EXPERIENCE

AGM: Operations, Admin, HR & Store Maintenance

Feb 2025 – Present

Micro Fibre Group (MICLO Bangladesh Ltd.), Dhaka

- Direct corporate administration, store build-outs and maintenance routines across **18 retail showrooms**, enabling store readiness behind a **100% expansion in yearly turnover, from BDT 24 Crore to 48 Crore**.
- Scaled the retail network from **9 to 18 showrooms (+100%)** by instituting standard site build-outs, equipment maintenance routines and operating compliance.
- Provide direction and daily accountability to a **210-person team** across general administration, HR and retail store support.
- Design and deploy **SOPs**, scope user-training pathways and define implementation use cases to drive tool adoption and operational efficiency.

Senior Manager: General Admin & HR

Apr 2024 – Jan 2025

Micro Fibre Group (MICLO Bangladesh Ltd.), Dhaka

- Governed corporate administration and HR operations across group business units, building the governance base for the expanded AGM remit.
- Applied **C-TPAT** supply-chain security protocols across facilities and administrative sites, building on C-TPAT training completed at Micro Fibre Group.

Manager: Administration, Security & Logistics

Mar 2024 – Apr 2024

Ha-Meem Group, Savar, Dhaka | Transition to Micro Fibre Group

- Directed **emergency dispatch workflows**, coordinating material handling and forklift operations to meet high-priority shipping **SLAs** and safeguard export delivery schedules.
- Upgraded the staff canteen from a general facility to a **standard-grade facility** by redesigning the seating arrangement, decor, staff uniforms and menu.

Assistant Manager: Administration & Security

Sep 2022 – Feb 2024

Liberty Knitwear Ltd., Gazipur

- Commanded security and administration for a production campus of **17,000 workers**, directly supervising **284+ security personnel**.
- Cut staff canteen costs by **20% (BDT 30 Lacs to 24 Lacs a month)** while maintaining service for **550 staff**, buyers and buyer QC representatives.
- Applied **market analysis** and a moderate **pricing strategy for factory waste fabric**, lifting monthly financial impact from **BDT 70-80 Lacs to over 2 Crore**.
- Led **C-TPAT implementation and audit readiness**; instituted **transport compliance** protocols across the campus.

INTERNATIONAL EXPERIENCE & UN PEACEKEEPING

6 Countries	3 UN deployments	2 UN Medals	21 Years defence service
-----------------------	----------------------------	-----------------------	------------------------------------

- **DR Congo (MONUSCO), 2012–13 and 2014–15:** two deployments as Operational Flight Engineer with the UN Stabilization Mission; awarded the **United Nations Medal (MONUSCO)** on 16 October 2015.
- **Central African Republic (MINUSCA), 29 May 2020 – 28 May 2021:** Operational Flight Engineer with the Bangladesh Aviation contingent; cleared by Air Headquarters to fly in the mission and awarded the **MINUSCA Medal** by the UN Secretary-General.
- **Uganda** (2013, 2015), **Kenya** (2013), **Saudi Arabia** (2013) and **Malaysia** (2017, helicopter underwater escape training).

MILITARY SERVICE | BANGLADESH AIR FORCE, 2001–2022

- Directed administration, logistics and 24/7 support facilities for 1 Squadron, 31 Squadron and the 109 Search & Rescue Unit; supervised the 109 Unit facility renovation project.
- Supervised **VVIP protocol** and airport security duties and served as Unit Assistant Security Supervisor, 109 Search & Rescue Unit.
- Served as Flight Engineer on helicopter operations supporting **VVIP** and **UN missions**, maintaining **VVIP security clearance** (January 2011 – June 2022).
- Earned a **Letter of Appreciation** from the Air Officer Commanding, BAF Base Zahurul Haque; the Officer Commanding cited high managerial capability and recommended Admin and Operations Manager roles (Experience Certificate, July 2022).
